Thinking Ontologies

OUR PLACE^{music}

- /// **Complex** Music Ontologies
- /// Fully Customizable **Individual** Repository
- /// Distinct **Microsite**
- /// **Responsibility** Retention
- /// Data **Isolation / Sharing**

Each Research Group

- /// **Maintains** its own dedicated digital repository
- /// **Documents**, organises, searches, and showcases its records and assets
- /// **Manages** its research material autonomously
- /// **Creates** its own distinct microsite
- /// **Defines** its own access and documentation policies
- /// **Fully customises** its repository environment
- /// **Designs** its own custom cataloguing forms
- /// **Develops** collaborative academic policies

One Infrastructure – Multiple Dataspaces
